A round coffee table with a glossy red top and four dark wood legs. On top of the table is a light blue tray containing a vase of red flowers and a small basket of pomegranates.

A square side table with a light blue finish and a silver tray on top. The tray holds a red and gold tea set, including a teapot, a sugar bowl, and a teacup.

Two decorative pillows with a light blue and white floral pattern and a fringed edge are placed on the floor next to the blue side table.
