LUSSO

Innovazione e design. qualità e stile raffinato. Elementi di un lusso eccellente: il lusso Versace. Fondata da Gianni Versace nel 1978, in soli tre decenni la Maison Versace si è imposta come una delle maggiori case di moda internazionale, diventando sinonimo di lusso italiano.

Innovative design, supreme quality and sophisticated styling. The Maison Versace, founded in 1978 by Gianni Versace, in just three decades has achieved recognition as one of the leading international fashion houses in the domain of Italian luxury.

HERITAGE

Forme morbide e avvolgenti, tessuti ricercati, accostamenti cromatici senza tempo caratterizzano la collezione Heritage. Un filo connettivo che fa sentire lo spirito della tradizione della Maison ed al tempo stesso è capace di rinnovarsi con elementi del tutto nuovi ed eclettici nei complementi d'arredo e negli accessori.

Il colore e le stampe rimangono importante elemento espressivo, riproposte in giochi cromatici sinuosi, ammorbiditi oggi da sfumature delicate: codice permanente di eleganza e raffinatezza che permea la collezione Heritage.

Soft and enfolding shapes, rare and precious fabrics, timeless colour combinations identify the Heritage collection. Imparting an intrinsic unity that reflects the spirit and tradition of the Maison while at the same time incorporating totally new and eclectic elements in the soft furnishings and accessory ranges.

Colours and prints are as always vital creative elements, adopting a fluid chromatic interplay, now softened by the choice of delicate shades: the permanent code of elegance and refinement that permeates the Heritage collection.
